VARs may participate in the subject contract, under the following conditions:

1. Purchase orders referencing the Contract number issued may contain only products previously approved for addition to the contractor's product list.
2. All orders should be drawn in the name of Waters in care of the participating VAR that has been selected in accordance with the Procurement Instructions. Only VAR's that have been designated by the contractor and approved by OGS and OSC as a reseller under the contract can participate.
3. Resellers may ship and invoice directly and will be paid in accordance with the New York State payment procedures.
4. The manufacturer/software developer is ultimately responsible for all deliveries.
5. The State reserves the right to approve such participation on an individual basis and any request to include such participation must be pre-approved by OGS Procurement Services Group and the Office of the State Comptroller. The State also reserves the right to rescind any such participation in the best interest of the State and at the State's Discretion.
