SUBJECT: Addition to List of Preferred Sources Offerings

TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

Periodically the list of Preferred Source Offerings is updated to reflect the addition of new commodities and services. The following is a list of items that were added since the November 15, 2011, meeting of the State Procurement Council. In its continuing effort to provide our customers with comprehensive procurement information OGS will issue purchasing memoranda following each Procurement Council meeting (generally quarterly) to advise State and local government purchasers of newly listed items.
