**SUBJECT:** SECURITY CONTRACTS

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

We previously informed you of anticipated changes to security contracts. Effective August 1, 2005, the following contracts will be for product and maintenance only:

**GROUP 38221**

ADT Security Services, Inc. – PGB-01057  
Johnson Controls, Inc. – PGB-19110  
Simplex Grinnell – PGB-18735

Installation and Systems Integration will no longer be acquired via these contracts. Contract users may utilize their normal purchasing procedures to acquire these non-contract services. As an alternative, State Agencies may contact OGS Design & Construction for potential service options available from their contracts. These services should be provided as a separate procurement independent of this contract.

We will be issuing an IFB for Security Equipment and Maintenance in the near future that will result in new contracts that will reflect the scope indicated above.
