Office of General Services Commissioner today announced that the following four businesses have recently been certified by the Office of General Services' (OGS) Division of Service-Disabled Veterans' Business Development (DSDVBD):

- Mangan Enterprises LLC, located in Syracuse, NY, specializes in paving and construction.
- Remington Property Management LLC, located in Pennellville, NY, provides HVAC services.

The Division was created by Governor Andrew Cuomo in May, 2014 with enactment of the Service-Disabled Veteran-Owned Business Act. As of May 22, 2017, a total of 329 businesses have been certified. The Act promotes and encourages participation of SDVOBs in NYS public procurements of public works, commodities, services and technology to foster and advance economic development in the State.
