** Rates exclude taxes & Sprint Fees (including USF charge of up to 2.41% that varies quarterly, cost recovery fees of \$1.55 per line, & state/local fees that vary by area). Sprint Fees are not taxes or gov't-required charges. Offer expires 11/03/07. Offers may not be available in all markets or locations-see your Sprint representative for details. Additional restrictions apply. Coverage/rate plan features vary by network. Sprint Network reaches over 262 million people. Nextel Nationwide Network reaches over 263 million people. Subject to credit approval. See our mapping brochures or visit www.sprint.com for estimated outdoor coverage. A deposit may be required. Rate Plans: Up to \$36 activation and \$200 early termination fees apply per phone. All offers, including plans and customizable/upgrade options are available from 7/15/07 to 11/03/07. Offers are subject to credit approval. Offers may not be available everywhere or combinable with other promotional options. Coverage is not available everywhere and varies by service - see mapping brochures or visit www.sprint.com for details. See rate plan descriptions for coverage charges applicable to each plan. Partial minutes charged as full minutes. Nights (Mon.-Thurs., 8pm to 7am) + Weekends (Fri. 9pm to Mon. 7am) without buy-up options. Sprint Business Essentials Plan: Customers must maintain a 1:5 ratio of the number of core plans to add-on plans. Add-a-Phone requires Sprint core Business Essentials Plan subscription on the first phone active. Sprint 30-day Risk-Free Guarantee: To qualify, you must within 30 days of activation: (1) return your complete, undamaged phone with the original retailer's proof of purchase; and (2) request that we deactivate your service. In all instances, you are responsible for all charges based on actual usage (partial monthly service charges, taxes and Sprint fees). Mobile to Office: Unlimited minutes refers to wireless minutes only and applies only to calls made to or received from the number for this plan. Unlimited calls must be made on the Nationwide Sprint or Nextel National Network. Available only with voice plans priced at \$49.99 or higher. Available for corporate-liable and individual-liable accounts of qualified corporate customers only. Mobile office number selected must be a ten digit Free Incoming Plans: Applies to calls received in the US only. Coverage is \$0.45/min. Free Month Offers: Service Credit will be applied on first or second month's invoice. After that time, subscriber will be charged the applicable monthly fee unless subscriber cancels by contacting Sprint Customer Service. Text Messaging: Unused plan messages do not carry forward. Certain messages, including those to 3rd parties to participate in a promotion or other program, will result in additional charges. International messaging rates may vary. Vision/Power Vision: Services are not available with all Sprint phones or outside designated coverage areas (see mapping brochure or visit www.sprint.com). Usage is calculated on a per kilobyte basis and is rounded up to the next whole kilobyte. Rounding occurs at the end of each session or each clock hour and, at which time we deduct accumulated usage from your plan, or assess overage or pay as you go charges. You are not identify the number of kilobytes attributable to your use of specific sites, sessions or services used. Premium content (games, ringtones, etc.) priced separately. Services are not available for use in connection with server devices or host computer applications, other systems that drive continuous heavy traffic or data sessions, or as substitutes for private lines or frame relay connections. Except with phone-as-modem plans, you may not apply to all content. Vision/Power Vision services and certain calling features (Voicemail, Caller ID, Call Waiting, etc.) are generally not available while roaming. Nextel Data Services: Data-capable phone required for Nextel Data Service Packs, Nextel Text Messaging, Web Plan, My Nextel Address Book, Mobile Email Enhanced and MobilePics. All pricing for Nextel Data Service Packs is for Private IP addresses only. Nextel reserves the right to restrict usage if it adversely affects network performance. If user is not subscribed to a "DATA ACCESS FOR YOUR PC" Plan, a Data Access Plan. Total Equipment Protection: Total Equipment Protection is insurance underwritten by Continental Casualty Company, a CNA company (CNA) and administered by Asurion Protection Services (Asurion Protection Services Insurance Agency, LIC#0063161), a licensed agent of CNA. Equipment Service and Repair Program is administered by Asurion Protection Services or one of its affiliates. See a Total Equipment Protection brochure for details. Other Terms: Roaming included on Sprint plans only. Roaming usage may not exceed 50% of total usage per month or allocated roaming minutes in applicable markets. Roaming minutes can not be shared. International roaming or walkie-talkie excluded. © 2007 Sprint Nextel. All rights reserved. Voice Command Sprint Phones	\$5.00	\$5.00	NA	Customers can store up to 500 names with 5 numbers each into an address book. Customers can call these numbers by speaking simple voice commands.
Mobile Voice Control Voice Control Nextel Phones	\$6.00	\$6.00	NA	Voice Control is an application that runs on Nextel BlackBerry devices enabling users to operate device through simple voice commands.

** Rates exclude taxes & Sprint Fees (including USF charge of up to 2.41% that varies quarterly, cost recovery fees of \$1.55 per line, & state/local fees that vary by area). Sprint Fees are not taxes or gov't-required charges.

Offer expires 11/03/07. Offers may not be available in all markets or locations-see your Sprint representative for details. Additional restrictions apply. Coverage/rate plan features vary by network. Sprint Network reaches over 262 million people. Nextel Nationwide Network reaches over 263 million people. Subject to credit approval. See our mapping brochures or visit www.sprint.com for estimated outdoor coverage. A deposit may be required. Rate Plans: Up to \$36 activation and \$200 early termination fees apply per phone. All offers, including plans and customizable/upgrade options are available from 07/15/07 to 11/03/07. Offers are subject to credit approval. Offers may not be available everywhere or combinable with other promotions/options. Coverage is not available everywhere and varies by service-- see mapping brochures or visit www.sprint.com for details. See rate plan descriptions for coverage charges applicable to each plan. Partial minutes charged as full minutes. Nights (Mon.-Thurs., 9pm to 7am) + Weekends (Fri., 9pm to Mon., 7am) without buy-up options. Sprint Business Essentials Plan: Customers must maintain a 1:5 ratio of the number of core plans to add-on plans. Add-a-Phone requires Sprint core Business Essentials Plan subscription on the first phone added to the plan. Sprint 30-day Risk-Free Guarantee: To qualify, you must within 30 days of activation: (1) return your complete, undamaged phone with the original retailer's proof of purchase; and (2) request that we deactivate your service. In all instances, you are responsible for all charges based on actual usage (partial monthly service charges apply). Mobile to Office: Unlimited minutes refers to wireless minutes only and applies only to calls made to or received from the number for this plan. Unlimited calls must be made on the Nationwide Sprint or Nextel National Network. Available only with voice plans priced at \$49.99 or higher. Available for corporate-liable and individual use only. Free Incoming Plans: Applies to calls received in the US only. Overage is \$0.45/min.

Free Month Offers: Service Credit will be applied on first or second month's invoice. After that time, subscriber will be charged the applicable monthly fee unless subscriber cancels by contacting Sprint Customer Service.

Text Messaging: Unused plan messages do not carry forward. Certain messages, including those to 3rd parties to participate in a promotion or other program, will result in additional charges. International messaging rates may vary.

Vision/Power Vision: Services are not available with all Sprint phones or outside designated coverage areas (see mapping brochure or visit www.sprint.com). Usage is calculated on a per kilobyte basis and is rounded up to the next whole kilobyte. Rounding occurs at the end of each session or each clock hour and, at which time, the number of kilobytes attributable to your use of specific sites, sessions or services used. Premium content (games, ringtones, etc.) priced separately. Services are not available for use in connection with server devices or host computer applications, other systems that drive continuous heavy traffic or data sessions, or other applications that are not applicable to all content. Vision/Power Vision services and certain calling features (Voicemail, Caller ID, Call Waiting, etc.) are generally not available while roaming.

Nextel Data Services: Data-capable phone required for Nextel Data Service Packs, Nextel Text Messaging, Web Plan, My Nextel Address Book, Mobile Email Enhanced and MobilePics. All pricing for Nextel Data Service Packs is for Private IP addresses only. Nextel reserves the right to restrict usage if it adversely affects network performance.

Total Equipment Protection: Total Equipment Protection is insurance underwritten by Continental Casualty Company, a CNA company (CNA) and administered by Asurion Protection Services (Asurion Protection Services Insurance Agency, Lic.#0063161), a licensed agent of CNA. Equipment Service and Repair Program is administered by Asurion Protection Services.

Other Terms: Roaming included on Sprint plans only. Roaming usage may not exceed 50% of total usage per month or allocated roaming minutes in applicable markets. Roaming minutes can not be shared. International roaming or walkie-talkie excluded.

TeleNav						
TeleNav Track Basic Nextel Phones Sprint Phones with Handset Initiated GPS	\$9.99	\$19.99	\$9.99	TeleNav Track is used to locate the mobile workforce, track timesheets, dispatch jobs, complete wireless forms and get voice GPS navigation.	NA	TeleNav Track has increasing functionality levels with price. The set-up charge is the same for all the Java applications. Hint: Up sell the Java client services on Nextel devices with TeleNavTrack Fleet to get real time turn by turn audible instructions and routes aware of trucking restrictions. Service tiers with Data Access included are not available to customers with a standalone Data Access subscription, including BlackBerry users. Unlimited routes, requires the purchase of a Data Access Plan or Data Pack.
TeleNav Track Plus Nextel Phones Sprint Phones with Handset Initiated GPS	\$12.99	\$19.99	\$12.99			
TeleNav Track Enhanced Nextel Phones Sprint Phones with Handset Initiated GPS	\$15.99	\$19.99	\$15.99			
TeleNav Track Premium Nextel Phones Sprint Phones with Handset Initiated GPS	\$21.99	\$19.99	\$21.99			
TeleNav Track Lite Nextel Phones Sprint and PowerSource Phones	\$19.99	\$19.99	\$19.99	TeleNav Track LITE does not require an application on the handset and allows you to locate your mobile workforce and to create reports. TeleNav Track LITE includes voice timesheets but does not support certain features of TeleNav Track such as Job dispatching, wireless forms and GPS navigation.		Includes BMF access. Service tiers with Data Access included are not available to customers with a standalone Data Access subscription, including BlackBerry users. Unlimited routes, requires the purchase of a Data Access Plan or Data Pack.
TeleNav Track - Fleet Navigation Nextel Phones	\$10.00	\$0.00	\$10.00	TeleNavTrack Fleet adds truck-specific navigation using the most up-to-date road network information including support for 18-wheelers.		TeleNav Fleet is an add on to TeleNav Track Basic, Plus, Enhanced or Premium for Nextel Phones only. Unlimited routes, requires the purchase of a Data Access Plan or Data Pack.
TeleNav GPS Navigator Nextel Phones Sprint and PowerSource Phones with Handset Initiated GPS	\$10.00	\$0.00	\$10.00	Unlimited routes of phone-based visual and audible turn-by-turn driving directions. Must have JAVA and GPS enabled phone. Compatible phones include i325, i58r, i710, i730, i733, i736, i830, i860.	NA	GPS Services: Environment may limit GPS location info. Requires new service activation. Service tiers with Data Access included are not available to customers with a standalone Data Access subscription, including BlackBerry users. Unlimited routes, requires the purchase of a Data Access Plan or Data Pack.

Wireless Data Solutions						
Actsoft Comet Tracker						
Comet Tracker Nextel Phones Sprint Phones with Handset Initiated GPS 1-49 Subs	\$17.00	\$20.00	\$17.00	Comet Tracker is a mobile management solution that tracks Time, Tasks, Jobs and Locations of remote workers. Comet Tracker on the Blackberry adds powerful new features. The in-vehicle solutions are specifically designed to track mobile assets in the field.	NA	<p>\$20 Setup Fee Required for Each Activation Java handset or BlackBerry 7520, 7100i CDMA BS 9703 and 7130c</p> <p>Unlimited Data Access Plan Required</p>
Comet Tracker Nextel Phones Sprint Phones with Handset Initiated GPS 50-99 Subs	\$15.00	\$20.00	\$15.00			
Comet Tracker Nextel Phones Sprint Phones with Handset Initiated GPS 100+ Subs	\$13.00	\$20.00	\$13.00			
Cyber Tracker Nextel Phones	\$20.00	\$20.00	\$20.00	Cyber Tracker is a new in-vehicle device and form factor that supports ActSoft Comet Tracker. Shaped similarly to a paging device at many common restaurants, Cyber Tracker is designed to be either hard-mounted or easily portable.	NA	<p>The benefits of the unit is that it does not require an external antenna, has up to a 2 week battery life, and can be stacked charged for easy storage. The device also has Ethernet ports for connecting data devices and support Walkie Talkie services. \$20 Setup Fee Required for Each Activation on Cyber Tracker (through HISS). ARCOM SOC will cover both in-vehicle devices, Technocom LMU. Currently, customers can only use IDEN Comet Tracker plans.</p> <p>Unlimited Data Access Plan Required</p>
Comet Tracker Mexico Nextel Phones	\$20.00	\$20.00	\$20.00	ActSoft Comet Tracker now supports the availability of Mexico mapping for Nextel users. Customers using ActSoft Comet Tracker can now track their fleet and field service personnel traveling into Mexico. This service leverages the IDEN-to-IDEN Mexico roaming capabilities.	NA	<p>The total MRC for ActSoft Comet Tracker with Mexico Maps is \$20 per month per device. Roaming charges are applied where applicable.</p> <p>Unlimited Data Access Plan Required</p>
Comet Tracker Lite Nextel Phones	\$19.95	\$20.00	\$19.95	Comet Tracker Lite is a network-initiated location-based service that enables businesses to track their truck, employees, and assets without the requirement of a client running on the handset. A network-initiated solution, such as Comet Tracker Lite, is an ideal solution for customers that neither require the added features of a client on the handset (such as timesheets and wireless forms) nor want to rely on the end user to start the client on the handset.	NA	<p>With Comet Tracker Lite, as long as the phone is on, it can be tracked. Comet Tracker Lite on CDMA provides the same features that customers receive today on IDEN. These features include 6 location queries per hour, reporting and the ability to locate a phone indoors. Comet Tracker uses the same SOC for all price point of the tiered pricing structure. The discount is taken off on the invoice when it is recognized that the BAN has reached the 50 or 100 unit thresholds. Comet Tracker Lite does not offer tiered pricing options. Data Access Plan optional.</p>
Comet Tracker Lite Sprint and PowerSource Phones	\$19.95	\$20.00	\$19.95		NA	
Actsoft Comet Mobile Worker						
1-15 Subs Sprint Phones	\$16.99	\$0.00	\$16.99	Comet Mobile Worker is a field service, transportation, construction, government, and healthcare software suite developed by Actsoft, Inc that extends the capabilities of Comet Tracker. The solution allows users to easily manage the service lifecycle, from the initial service request to service call completion leveraging the Sprint Nextel mobile handset.	NA	<p>Comet Mobile Worker addresses a wide range of field service organizations - maintenance and repair, installation, utilities, heating ventilation and air conditioning (HVAC), and transportation - including pickup and delivery.</p> <p>Must have Comet Tracker application as prerequisite (CT app pricing based on # of units activated, below, Comet Tracker pricing)</p>
16+ Subs Sprint Phones	\$12.99	\$0.00	\$12.99			
Actsoft Engine and Vehicle Monitoring solution						
Actsoft Engine and Vehicle Monitoring Sprint Phones	\$6.00	\$600.00	\$6.00	Actsoft partnered with Malone Specialties to bring customers an innovative, on-demand vehicle activity and GPS tracking solution for fleets. The solution is a cost-effective way to protect engines and lower maintenance costs.	NA	<p>Must have Comet Tracker application as prerequisite (CT app based on # of units activated, ie. Comet Tracker Tiered pricing)</p> <p>\$600 One-time Device/Installation Cost</p>

TERMS OF SERVICE — Customer Agreement: Customer and Sprint will execute an agreement that will contain terms and conditions governing Sprint's provision of products and services to customer. Offer expires 11/03/07. Offers may not be available in all markets or locations-see your Sprint representative for details. Additional restrictions apply. Coverage/rate plan features vary by network. Sprint Network reaches over 262 million people. Nextel Nationwide Network reaches over 274 million people. Subject to credit approval. See our mapping brochures or visit www.sprint.com for estimated outdoor coverage. A deposit may be required. Rate Plans: Up to \$36 activation and \$200 early termination fees apply per phone. All offers, including plans and customizable/upgrade options are available from 07/15/07 to 11/03/07. Offers are subject to credit approval. An account spending limit may apply — ask for specific amount. In certain areas, a \$4.99 per month account spending limit fee will apply per line. Monthly service plan charges accrue even if your service is turned off for exceeding your spending limit or non-payment. Offers may not be available everywhere or combinable with other promotions/options. Coverage is not available everywhere and varies by service — see mapping brochures or visit www.sprint.com for details.

Rates exclude taxes, and Sprint Fees such as a USF charge, cost recovery fees, and state/local fees that vary by area (e.g., in some areas up to 16% but in most areas less than 3%).

Sprint Fees are not taxes or government required charges. Up to a \$36 phone activation fee applies to new activations, certain service plan changes or upgrades of phones or devices ("phones").

In certain areas, a \$1.99 per month infrastructure fee will also apply per account. Our services will only work with our phones — not all services are available with all phones.

Monthly service charges are not refunded or prorated if service is terminated or modified before your billing cycle ends. All phone usage, including incoming/outgoing calls, incurs charges unless specified otherwise.

Except where specified, included plan minutes are not good for off-network roaming calls. International roaming rates for voice and data services are additional and will vary. On calls that cross time periods, minutes are generally deducted or charged based on the call start time. Unused monthly plan minutes do not carry forward. Partial minutes of use are rounded up to the next whole minute. Free Incoming Plans: Applies to calls received in the US only. Coverage is 45¢/min. Sprint Business Essentials Plan: Customers must maintain a 1:5 ratio of the number of core plans to add-on plans.

Add-a-Phone requires Sprint core Business Essentials Plan subscription on the first phone activated on the service plan ("Primary Line").

PROMOTIONS, OPTIONS AND OTHER PROVISIONS

Text Messaging: Unused monthly plan messages do not carry forward. Certain messages, including those to 3rd parties to participate in a promotion or other program, will result in additional charges. International messaging rates may vary. Mobile to Office: Unlimited minutes refers to wireless minutes only and applies only to calls made to or received from the number for this plan. Unlimited calls must be made on the Nationwide Sprint or Nextel National Network. Available only with voice plans priced at \$49.99 or higher. Available for corporate-liable and individual-liable accounts of qualified corporate customers only. Mobile office number selected must be a ten digit domestic number. International, 900 Number, operator assisted and certain three digit wireless number (e.g., *611) calls are excluded from the plan. Not available in certain Sprint markets. Sprint reserves the right to suspend service or restrict numbers called in cases of fraud or misuse. Mobile-to-Mobile: Only available for calls directly between Sprint PCS phones and/or most Nextel phones (not through Voicemail, 411 or other indirect methods). Not available where a Sprint PCS phone is roaming/off the Nationwide Sprint PCS Network.

GPS Services: Environment may limit GPS location information. Total Equipment Protection: Equipment Replacement Program is insurance underwritten by Continental Casualty Company, a CNA company (CNA) and administered by Asurion Protection Services, LLC, a licensed agent of CNA (Asurion Protection Services Insurance Agency, LLC CA Lic. #0D63161). Please see the Total Equipment Protection brochure available at any participating retail location www.sprint.com for complete terms and conditions of coverage. Terms and conditions are subject to change.

SPRINT PCS SPECIFIC SERVICES

Vision/Power Vision: Services are not available with all Sprint PCS phones. Usage is calculated on a per kilobyte basis and is rounded up to the next whole kilobyte. Rounding occurs at the end of each session or each clock hour and, at which time we deduct accumulated usage from your plan, or assess coverage or casual usage charges. You are responsible for all data activity from and to your phone, regardless of who initiates the activity. Estimates of data usage will vary from actual use. Your invoice will not separately identify the number of kilobytes attributable to your use of specific sites, sessions or services used. Premium content (games, ringtones, etc.) priced separately. Services are not available for use in connection with server devices or host computer applications, other systems that drive continuous heavy traffic or data sessions, or as substitutes for voice lines or frame relay connections. Except with phone-as-modem plans, you may not use a phone (including a Bluetooth phone) on a plan with unlimited Vision/Power Vision as a modem in connection with a computer, PDA, or similar device. We reserve the right to deny or terminate service without notice for any misuse. Availability of downloadable or streaming content is subject to change. Roaming-Included Plans: Not available with single-band phones, or to customers residing outside an area covered by the Sprint National Network. Sprint may terminate service if (1) more than 800 minutes (2) a majority of minutes or (3) a majority of data kilobytes in a given month are used while roaming. International calling, including in Canada and Mexico, is not included in roaming-included plans. Roaming usage may be invoiced after 30-60 days. *Mobile/Power Vision services and certain calling features (Voicemail, Caller ID, Call Waiting, etc.) may not be available in all roaming areas.*

NEXTEL SPECIFIC SERVICES

International Walkie-Talkie access: International Walkie-Talkie calls use the walkie-talkie minutes included in your plan. (20¢/min). Times # of participants pay-as-you-go charge for services not included in your rate plan or option. International Walkie-Talkie access available in and between the US and Canada, Mexico, Chile, Brazil, Peru, and Argentina. One Way Messaging Alerts: Alerts are 15¢ per message received by the customer. Data Services: Datacapable phone required for Nextel Data Service Packs, Nextel Text Messaging, Web Plan, My Nextel Address Book, Mobile Email Enhanced and MobilePics. Pricing for Nextel Data Services Pack is for Private IP addresses only. We reserve the right to restrict usage if it adversely affects network performance. If user is not subscribed to a "DATA ACCESS FOR YOUR PC" Plan, a Data Access Pay-As-You-Go charge is incurred when using network-aware applications such as GPS services and Java-enabled games and services. NextMail: Usage rates still apply during promotional period.
