Description

The scope of this contract is to provide Authorized Users the ability to purchase STEM/STEAM and science laboratory educational supplies and equipment. Products offered through this contract is for use in a K-12 or college level educational setting. All product categories may include assembly, configuration, installation, and networking services which are not considered Public Works pursuant to Section 5.36 Assembly/Configuration/Installation/Networking Services. The scope of this contract does not include stand-alone equipment and products such as computers and peripherals, printers or copiers, furniture, industrial tools and supplies, audio visual products, medical equipment, assistive technology products, books, serials or arts and craft supplies unless those products are part of a contractor's general product offering and are to be utilized in conjunction with a contractor's STEM/STEAM or science laboratory based learning systems and curriculum. Industrial or commercial grade 3D printing equipment, robotics or drones that are not intended for an educational setting are also excluded. Installation services which are considered Public Works in accordance with New York State Labor Law are not permitted (see Section 5.36, Assembly/Configuration/Installation/Networking Services). There are no MWBE or SDVOB goals on this contract.

NOTE: See individual contract items to determine actual awardees.

NOTE TO AUTHORIZED USERS:

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)/service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).
